If you are sick!!

If your child will be sick please call the office and let Brigitte know. It is good to email teachers to find out what your child will be missing, but please let us know in the office if your child will not be in school.

Concessions

Don't forget if you are scheduled to work the concession stand to come during your assigned time. Concessions we sell during basketball season help all our sports throughout the year that is why it is important to come during your assigned time to help make this successful! Thanks!
