## Did You Know???

Sometimes homework can get a little crazy and maybe hard to understand. There is a great free resource out there. It is called Khan Academy. Khan Academy is a warehouse of free videos and demonstrations on many subjects. You can set up a parent account and a child account all for free. The website is:

[www.khanacademy.org](http://www.khanacademy.org) I share this with you to help you, the parents, explain or discuss a concept at home that was assigned for homework or that your student is working on. As always if you have questions with homework always send an email to the teachers, but this is just another avenue to help you.

## School Choice

The Wisconsin School Choice Program is now open for applications. This program will give your child the opportunity to go to St. Francis of Assisi for **free**. The program is currently taking online registrations. This year there are stipulations on those who can apply.

- 1.) Meet the income requirement and apply online.
- 2.) You need to be going into 4K, Kindergarten, or 1st grade.
- 3.) Transferring from a school that did not participate in the Choice program.

You can go and apply on our school website. Here is the link: <http://school.sfamanitowoc.org/>. If you have any questions or need more information on the program or applying please do not hesitate to call Mr. Thiele at 920-652-7842.

\*\*\*\*Remember if you applied last year **you need to go in and reapply** this year for to be part of this program.\*\*\*\*
