*****Grandparents/Special Friend Day!!!*****

Just a reminder that Grandparents day will be Wednesday, April 25th. **The middle school only will be having an early release that day. Students will be let out at 11:45.** Please make arrangements for your son or daughter to be picked up. Students will also be allowed to go home with their grandparents/special friends or must be picked up. This is due to the fact that there will not be any shuttles going home on that day. Please check the Friday folder for more information on this day!!

Field Trips—Must be VIRTUS trained

As the weather is warming up teachers are planning some really great fieldtrips. Some of these trips will be in need of chaperones. However, the only way to be a chaperone for our school is if you are VIRTUS trained and have a background check done. To find more sessions or register go to the following webpage: <http://www.qbdioe.org/protectingourchildren/virtus.html>. If you have any questions please feel free to contact Mr. Thiele.

MAP Testing

The Middle School students will continue MAP testing here in April. Seventh and eighth graders will be MAP testing next week. It is essential for the students to come to school with fully charged Chromebooks. These tests are in Math, Reading, and Language Usage. Results will be sent home when all students have finished the tests by the end of April.

School Choice

The Wisconsin School Choice Program application period will be closing on April 20th. This program offers students the opportunity to attend St. Francis of Assisi for **free**. There are stipulations on those who can apply.

- 1.) Meet the income requirement and apply online.
- 2.) You need to be going into 4K, Kindergarten, or 1st grade.
- 3.) Transferring from a school that did not participate in the Choice program.

If you know anybody that could benefit from this program have them go and apply on our school website. Here is the link: <http://school.sfamanitowoc.org/>. If you have any questions or need more information on the program or applying please do not hesitate to call Mr. Thiele at 920-652-7842.
