

October 12, 2018

St. Francis Elementary School Family,

**Packer Day!**

Since the Packers take on the San Francisco 49ers next Monday night, we will show our Packer Spirit by having a non-uniform Green and Gold Day on Monday. GO PACK!

**Vision Screening**

With the help of the Manitowoc Lions, we are excited to offer vision screening for all of our students. We will once again be using a camera that scans the eye and determines how the eye is performing. It takes about 3 seconds to complete and the results are immediate.

Vision screening will be on **Monday, October 15<sup>th</sup>**. If families of our 3K Tuesday/Thursday students would like to get their child screened, you can come between 8:00-8:30 on October 15<sup>th</sup>. If you would like your child to opt-out of the screening, please contact the office.

**ALICE**

Thank you to all of the families that came to our parent informational meeting the other night. More information will be sent out next week to all families explaining the implementation process at the elementary school. In the meantime you can visit [www.alicetraining.com](http://www.alicetraining.com) and click on K-12 Schools for more information on ALICE in the school setting.

**Main Door Entrance**

We want to inform parents that the main entrance door will automatically unlock at 8:10. If you are dropping your student off please enter those doors at that time.

**After School Parking**

Please do not park on the east side (school side) of 15<sup>th</sup> street during dismissal. It is very difficult and dangerous for the school bus to go down that street with cars parked on both sides of the road.

**Ask your child...**

This week ask your child about our Feast of St. Francis Celebration with our middle school buddies! What is St. Francis of Assisi the patron saint of?

**(Over)**
